DON'T MAKE YOUR RELIGION TOO HARD TO SEE

WELCOME VISITORS

We are glad you chose to worship with us today. Please fill out a visitor’s card so that we may have a record of your visit. Let us know if we can help you in anyway.

Merchants keep their store windows, and their meat display cases spotlessly clean, with the slogan: “The better they see, the more they buy!” always before them. If glasses are fogged or frosted, the merchandise in the case appears unattractive, and arouses little interest in the purchaser.

How about your influence as a Christian? Do you allow conversation to be fogged with shady stories, and evil surmising, and jealous criticisms? Careful! You might be making your religion too hard to see!

How about your warmth and hospitality as a Christian? Are you so interested in yourself and your own affairs that you present a cold shoulder and an icy unfriendliness to others? Are you so “frosted over” that no one can feel he could come to you for counsel, guidance, or appreciation? Careful! You might be making your religion too hard to see!

Others are passing by your life every day, and the picture you present will cause them to pass you by or stop to take notice. If they like your display, they will want to partake of it for themselves. If you show kindness, consideration and thoughtfulness of others, onlookers will see the benefits of such actions. If you are true to God, and His Word, others will profit by your example and follow your life of loyalty.

BIBLE TRIVIA

What son fell on his father's neck?

Answer to last week question:

What two men in the Old Testament loved each other

“surpassing the love of women”?

David And Jonathan - 2 Samuel 1:26

Dear Minister Troy Postlethwait,

Christian Greetings! From Mindanao, Philippines, in the matchless name of our Lord Jesus Christ.

Hi, hello! I'm "Bro. Vanjo Jadol, (40) years old" married to my beloved wife Den Jadol (38) years old, and we have 3 children Christian. Me and my wife are both Roman Catholic by birth, converted to Jesus Christ and become a Native Tribal Gospel Minister, discipler and church Planter. We travel and ministering the Gospel of Christ and His Kingdom to the high mountain village of Sawata, Davao Province.

The reason why I email to you, because I was greatly moved with tears, being touch and was enlightened by the Biblical and Spiritual truth you preach and teach in your church as I visited in your website in the internet Cafe. I thank God for the high and advance technology through the worldwide web in the internet we found your church that teaches the real and genuine truth. Oh, how i wish that these new found truth you teach will be transmitted here in Mindanao Island. Praise God! for the real and genuine truth that has been restored in His church today through your church teaching that clings to the whole truth handed down by the holy prophets and apostles of old.

I must tell you straight from the heart, i have been searches a lots of church religious websites. But i've notice that most of them are teaches 75% in the Bible and the rest are not in the Bible. Thank you very much for you open the eyes of our understanding that encourage me more to regain faithful and obedience in the service of God.

About us we are small Christian ministry in Central Mindanao and Bohol Island. Our main ministries are in the following: 1.) Tribal Evangelism 2.) Church Planting 3.) Discipleship Training 4.) Tribal Crisis Center/ catering mi or problems of poor indigent tribal family 5.) Food and Relief Aid Distribution, specially to the native tribal people to rescue them and giving them a ray of hope in Christ in these present life. By doing these small things in the name Christ, they will appreciate the goodness of life and the love of God that was demonstrated by His church.

We wanted to join to your church organization as your - church extension or a branch here in the Philippines at Large. So much the better if you can visit to us here in Mindanao and hold (3) days (Bible Truth Seminar) to equip and to encourage tribal Pastors, workers and members.

Lastly, may your church will be the answer of our long time prayers to have a right connection to the church abroad that teaches real and genuine Biblical truth. God bless you.

Sincerely Yours truly in Christ,

Bro. Vanjo & Sis. Den Jadol

P.S. We are looking forward of your loving kindness response.
